Safe Banking Guidelines for Channel Usage:

- ✓ Keep your Card, Internet & Mobile Banking details highly CONFIDENTIAL. Card details include 16 digit card number, card validity (expiry date), 3 digits CVV number, ATM PIN & OTP, Verified by VISA, MasterCard SecureCode. Internet & Mobile Banking details include Login id, Passwords, Online Shopping Password (OSP), One Time Password (OTP) and Unique Registration Number (URN), Telephone Personal Identification Number (TPIN).
- ✓ DO NOT RESPOND to Phone calls, E-mails, SMS etc. requesting you to provide confidential details of your card or internet/mobile banking for any reason. Even if the call, Email or SMS seemingly appears to be originating from IDBI Bank /RBI/ Income-tax office/ VISA/ MasterCard / ATM Cell or any other entity or service provider.
- ✓ Keep your PIN & passwords top secret, do not write them down. Kindly change them often.
- ✓ Use the Virtual Keypad while transacting through internet banking.
- ✓ Ensure the website you are visiting is secure. The URL of the website should start with 'https://' ('s' stands for secured)
- ✓ DO NOT handover your Card and/or provide ATM PIN details to ATM guards or anybody else, while transacting at an ATM.
- ✓ Keep your mobile number / e-mail id / address updated with bank to get transaction alerts / account statement or any other communication from the bank.
- ✓ If you receive any transaction alert though SMS/ E-mail which is not executed by you, Immediately call customer care for details and/or to hotlist/ cancel your card/ Internet or Mobile Banking access.
- ✓ Visit our website www.idbi.com for more details on Safe banking.

Important Information:

- 1 Customers having a valid Debit Card and mobile number registered with the bank, will receive Internet/ Mobile Banking Activation message via SMS on successful registration. Kindly visit www.idbibank.com and click on 'Set Password Online' link to create your passwords and set channel/ transaction access rights.
- 2 Type the following link: m.idbibank.com on your mobile browser after generating the mobile banking password to access Mobile Banking services (browser version).
- 3 Internet & Mobile Banking Login and Transaction access will be provided to First/Primary account holder.
- 4 Internet & Mobile Banking will not be provided in Joint Accounts where the mode of operation is other than Self /Anyone or Survivor/Either or Survivor.
- 5 All accounts attached (existing and opened later) to a Customer ID will be automatically linked/ provided access through Internet & Mobile Banking.
- 6 SMS Banking channel will be default enabled on successful registration for Mobile Banking. To enable/ disable additional channels e.g. Browser/ USSD, please visit 'Set Password Online' as stated in point 1.
- 7 Customer ID and Telephone Personal Identification Number (TPIN) Authentication is required for availing Phone Banking Services.
- 8 Debit Card and ATM PIN Authentication would be required for availing Financial transaction services through IVR.

Default Channel Limits:

You will be assigned the following default per day transaction limits for respective channels.
